Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295, *et seq.*; Cal. Penal Code §§ 69, 148(a)(1))

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE HEALTH OFFICER OF THE COUNTY OF SANTA CRUZ ("HEALTH OFFICER") ORDERS:

1. This Order extends and modifies the March 31, 2020 Order of the Health Officer directing all individuals to shelter in place ("Prior Shelter Order"). This Order is necessary to further slow transmission of Novel Coronavirus Disease 2019 ("COVID-19"). This Order **shall become effective at 11:59 p.m. on May 1, 2020** and will continue to be in effect until it is extended, rescinded, superseded, or amended in writing by the Health Officer. All individuals, businesses and government agencies in the County of Santa Cruz ("County") are required to follow the provisions of this Order. This Order applies to all individuals present in the County of Santa Cruz, regardless of whether they reside in the County. Individuals who reside outside the County but are physically present within the County shall comply with this Order in all respects, regardless of the purpose of their presence. Individuals experiencing homelessness are strongly urged to obtain shelter, or continuing sheltering in place, and governmental and other entities are strongly urged to make such shelter available as soon as possible, and to the maximum extent practicable (and to use Social Distancing Requirements in their operation).
2. This Order incorporates by reference the March 19, 2020 Order of the State Public Health Officer (the "State Shelter Order"), which set baseline statewide restrictions on travel and non-residential business activities effective until further notice, as well as the Governor's March 19, 2020 Executive Order N-33-20 directing California residents to follow the State Shelter Order.
3. All beaches in the County will be closed from 11:00 a.m. to 5:00 p.m., daily. However, during the times that beaches are closed, the ocean will remain open for water sports (e.g., surfing, boogie-boarding, swimming, paddle-boarding, kayaking, boating, etc.), and individuals may cross beaches in order to access and leave the ocean. During the times that beaches are open, they are to be used only for running, walking, cycling, water sports, or other form of physical activity. **Sitting, lying, standing, sunbathing, sight-seeing, picnicking, and all other non-exercise, passive, or sedentary activities at beaches are prohibited.** In addition, the following items are prohibited for use or possession on beaches for the

duration of this Order: umbrellas, shade structures, tents, barbeques and grills, coolers, beach chairs, or other conveyances for sitting or lying. Beach parkways (defined as streets, sidewalks, esplanades, or parks immediately adjacent to or abutting beaches or shoreline areas) should remain open, subject to the discretion of individual facility managers to address over-use, but they may only be used for running, walking, cycling, or other form of physical activity. **Sitting, lying, standing, sunbathing, sight-seeing, picnicking, and all other non-exercise, passive, or sedentary activities on beach parkways are prohibited and may result in a citation.**

4. Lodging restrictions remain in effect. Hotels, motels, inns, bed and breakfasts, vacation rentals, RV parks, campgrounds, and any other short-term lodging businesses **are prohibited from providing accommodations to any individual** unless that individual is present in the County for the purpose of performing services for an Essential Business, performing services at Health Care Operations, providing an Essential Governmental Function, or providing care for a sick individual. Prior to providing accommodation, at check-in, all lodging businesses are required to confirm that the basis for the lodging is consistent with the requirements of this Order. Lodging businesses are required to maintain written evidence that each lodger's stay is consistent with the terms of this Order (e.g., written confirmation of the purpose for a guest's stay). This evidence shall be maintained in such a manner that it may be easily audited by law enforcement officers and must be provided to law enforcement officers upon demand. **Lodgers, business owners, and business operators are all subject to citation for violation of these restrictions.**

5. With respect to the Prior Shelter Order, the Health Officer makes the following modifications to the definition of "Social Distancing Requirements" set forth in paragraph 12.j. "Social Distancing Requirements" now includes all of the following:

To self-quarantine, individuals should follow the guidance of the United States Centers for Disease Control and Prevention.
 - c. With respect to section 12.b (Health Care Operations), individuals may leave their residence to work for, volunteer at, or obtain health care services consistent with those allowed under any and
